

The American College of Veterinary Pathologists™

December 5-9, 2009

Joint Meetings of the ACVP and ASVCP
Monterey Conference Center/Monterey Marriott Hotel
Monterey, California

Call for Abstracts

- There will be six specialty groups: Clinical Pathology, Diagnostic Pathology, Education, Experimental Disease, Natural Disease, and Toxicologic Pathology.
- Abstracts will be presented at the Annual Meeting as posters and/or short oral presentations. Specialty group committees will designate abstracts for either short oral presentation or poster, and your preference will not always be possible. Oral presentations and the poster session will be organized in the specialty group sessions by organ system. Presenters are required to register for the meeting.
- ACVP/AAVLD Diagnostic Travel Award, Christopher T. Starost Memorial Oncology Scholarship, Graduate Student/Resident Travel Awards, Society of Toxicologic Pathology Student Speaker Award, and the Young Investigator Awards (YIA), will be available for application. Information will be placed on the ACVP website soon.
- The deadline for on-line submission is June 1, 2009.
- The website for abstract submission will be open May 1, 2009 (<http://www.acvp.org/meeting>).
